And now the day is over,
swords are sheathed and clean
A battle short, a battle fierce, a
great day I have seen
Down the
hill we thundered, an army's strong array
Knights and
men and banners proud, all were swept away.
To-mor-row we march a king-dom to win, with sword and spear and shield.

night we broach the fla-gons of ale, sing songs of Pil-léth Field!
